

CAPS 2019

The International Conference
on Applied Probability and Statistics

CAPS 2019 is organized to provide participants with opportunities to promote new applications of probability and statistics to real-world problems, to exchange ideas and to explore opportunities for collaboration with local researchers, practitioners, and graduate students. CAPS 2019 provides an excursion around Hanoi and a tour to Ha Long Bay.

TOPICS:

CAPS 2019 welcomes papers on any area of applied probability and statistics

CONFERENCE CHAIRS:

Do Le Minh (CSU, USA), Chair
Nguyen Huu Du (HUS, Vietnam), Vice-chair

KEYNOTE SPEAKERS:

Jiro Akahori (Risusumekan, Japan)
Naomi Altman (PSU, USA)
Ho Tu Bao (VIASM, Vietnam)
